today . . .

*Let us remember the excitement of a united spirit,
the challenge of knowledge, the warmth of a smile,
and the endless march of Time itself.*

*Let us remember what we have learned and let us
learn from what we remember.*

Dedication

We, the Senior Class of 1973-74, wish to express our sincere thanks to Mrs. Rachael Parker. She has helped us in the past many ways. She gave us many hours of her time. She tried to direct us in the way she thought would be most beneficial to us. For all her unselfish deeds, we dedicate the 1974 PIRATE to someone we all love and admire, Mrs. Rachael Parker.
